## Independent Electric System Operator (IESO) Save on Energy Heating and Cooling Program

### Eligible Mitsubishi Electric Heat Pump Systems Reference Sheet

- IESO program offers rebates to residential consumers who purchase a high-efficiency HP, including eligible Mitsubishi Electric HP. **Rebates apply only to residential homes using electric resistance heating equipment.**
- Please refer to [IESO](#) program requirements for details and further information.
- This Rebate offer is controlled by IESO and not by Mitsubishi Electric. Availability is subject to cancellation or change without notice. Claims made under the rebate program will be decided entirely and finally by IESO according to their own criteria, and without involvement by Mitsubishi Electric. Mitsubishi Electric assumes no liability whatsoever for any claims made under the rebate program.
